

Membership Committee Report

Bienvenidos, Bienvenidos, Bienvenidos

Hello Fellow Members,

Welcome back to San Antonio for the 2008 TACA Annual Education Conference. With all the hard work that the Education Committee and the TACA Board has done, we should be in for a grand ole time.

During the last year, the Association has lost some truly valuable members, but luckily we have had some extraordinary members who have stepped in to fill those shoes. So, a great big "Thank You" goes out to Randy Walker, Monica Gracia, Sylvia Buitron and Christie Loveless.

The Membership Committee along with Vanessa Farmer of SHSU has strived to increase our membership and to get more Judges involved with the Association. Our ultimate goal remains to have every Court Coordinator and Court Administrator in the state of Texas as a member. The Membership Committee would like to challenge each of you to sign up one fellow Administrator, Coordinator or Judge to help us reach this goal. Also, there is a cash prize for the person who signs up the most new members.

Your input and suggestions are needed so that our Association may continue to grow and improve!

Lastly, I would like to thank my committee members: Dana Cotheman (Board Liaison), Nora Anderson (Vice Chair), Patricia Bustamante, Jessica Carrizales, Aleida Castillo, Iltze Garcia, Rebecca Gonzalez, Melinda Mata, Shannon McFarland, Sylvia Noriega, Gloria Puente, Liz Rodriguez, Lisa Rogerio, Glenda Taylor, Nelly Sanchez, Kara Sustayta and Aurora Zamora.

Enjoy your stay in San Antonio, and remember, TACA is your Association. **"Together we can make it work."**

Jerome Coleman, Membership Committee Chair
