

Publication Committee Report

TACA Members and Friends:

The year has flown by, and it is time for our 33rd Annual TACA Education Conference in beautiful Corpus Christi. Oh what a year it has been, filled with lots of changes and budget crunches affecting each and every one of us. We are determined to make this coming year a better year for all.

The Publications Committee is looking high and low for more member involvement. As a member of this committee, you are asked to collect articles of interest to our members, solicit vendors for advertisement, and maybe share your talent as a writer with an article or two for our Journal. All-in-all, the Publications Committee is looking for members statewide to lend their abilities and creative talents to help us generate an exciting, fascinating, appealing, informative and beneficial TACA Journal.

It is with a sad heart that we say goodbye to our Publication Committee Chair, Kristy Smith. Kristy gave one hundred and ten percent of her time and abilities to this committee and to TACA as a whole. Kristy is a very intelligent individual who will be successful in anything she undertakes. Kristy, we wish you vast success and you will be greatly missed.

I also want to thank Sylvia Juarez, committee vice-chair, for all her help throughout this year, and my sincerest appreciation to all those TACA members who took the time to submitted articles on their judiciary. They were very informative, enlightening and interesting. And to Vanessa Farmer, words cannot express my gratitude for all your hard work and commitment to the Journal. Many thanks!

To conclude, I hope that this year's conference challenges all your "Essential Components" and enables you to strive to achieve your future goals.

See you around the conference!

Sylvia Buitron, Publication Committee Liaison
