

# Membership Committee Report

HOWDY!

Welcome to "Big D" for the 29th Annual TACA Education Conference. I hope everyone is looking forward to an exciting Conference.

As Membership Chair, I have continued to work with Linda Kellum (Board Liaison), the membership committee and Sharese Hurst of SHSU. We are searching for new ways to increase membership, get more judges involved and getting out more information about our organization. With the help of Sharese Hurst and SHSU we sent out two mass mailings earlier in the year. The first was to recruit new members and the second was to remind past members to renew their memberships. This resulted in 50 new members and 85 renewals. We will attempt more mass mail outs in the future. **We currently have 515 members!** The membership last year at this time was 481.

Our number one goal is to have every Coordinator and Administrator in the state of Texas to become a TACA member. So, please encourage your fellow Administrators and Coordinators to join our Association.

I would like to thank my committee members for a job well done. If we can help you in any way during or after the Conference, please let us know.

Have a great stay in Dallas, and remember, TACA is your Organization. **"Together we can make it work."**
