

# SCHOLARSHIP COMMITTEE REPORT

It is obvious by the number of applicants this year for scholarships that monies are limited and budgets are tight. Regretfully, not everyone that applied for a scholarship was able to receive one. The Scholarship Committee is trying to generate more funds for the future. Come by and visit us at the conference and buy some raffle tickets to support TACA scholarships. We need your support. Help up make this fundraiser a huge success!

## **The following members received scholarships this year:**

Bambi Caka from New Braunfels received the Founder's Scholarship;

Barbara Conley from Houston received the Founder's Scholarship;

Kristy Harris from Fort Worth received the Paul Ferguson Scholarship;

Ruben Escandon from El Paso received the Lexis/Nexis Scholarship; and

Sylvia Noriega from San Angelo received the Dillard's Scholarship.

***Congratulations to all our scholarship recipients!***

I would also like to thank everyone on the Scholarship Committee. The Scholarship Committee for 2005 was:

Valerie Olivas  
Jerome Coleman  
Aledia Castillo  
Danna Madole  
Juanita Malanders  
Shannon McFarland  
Deana Ortega

This has been an exciting first year for me. I look forward to serving on the Board in 2006.
